

**MINISTER OF FORESTRY  
STATEMENT OF FORESTRY MINISTER WITH REGARD TO  
FORESTRY OPERATION TRANSPARENCY**

That in line with political commitment of President of the Republic of Indonesia in establishing good governance, and in implementing Bali Declaration 2001 on Forest Law Enforcement and Governance (FLEG);

That in the the frame of speeding up realization of Sustainable Forest Management, I, Minister of the Republic of Indonesia, will fully implement commitment to establish transparency in forestry sector;

Therefore herewith state that:

1. Forestry operation is implemented with principle of utilization and sustainability, community-based, fairness, togetherness, openness and is integrated with the objective of increasing people's prosperity, fairness, and sustainability.
2. In achieving the above mentioned forestry operation transparency in all aspects of forestry operation is needed by involving multi-stakeholders in a responsible way.

Jakarta, 27 February 2006  
MINISTER OF FORESTRY  
H.M.S. Kaban
